

INDEX

1.	Evaluation of maxillary sinus volume in adult vietnamese using computed tomography <i>Nguyen Trieu Viet, Lai Khoi Nguyen, Nguyen Thi Ngoc Lien</i>	1
2.	Association between sleep quality and anxiety among high school students: A cross-sectional study <i>Tran Danh Tien Thinh, Le Thi Thu Ha, Nguyen Thi Minh Phuong, Nguyen Nhu Ngoc, Nguyen Thai Minh Phuong</i>	6
3.	Factors associated with early outcomes after primary percutaneous coronary intervention in patients aged ≥ 75 years with st-elevation myocardial infarction <i>Dang Van Minh, Vu Dien Bien, Nguyen Ngoc Quang, Ta Quang Thanh</i>	11
4.	Factors associated with the outcome of percutaneous coronary intervention after 6 months in patients ≥ 75 years old with st-elevation myocardial infarction <i>Dang Van Minh, Vu Dien Bien, Nguyen Ngoc Quang, Ta Quang Thanh, Tran Thu Hien</i>	18
5.	High-dose amoxicillin for <i>H. pylori</i> gastritis in children: A case-series study <i>Le Thi Thuy Dung, Le Thi Van Anh, Nguyen Thi Thanh Thao</i>	25
6.	Association between lead concentrations in blood, thyroid tissue, and thyroid cancer <i>Lam Nguyen Nha Truc, Nguyen Van Chuyen, Nguyen Thi Thu Trang, Le Tuan Anh, Hoang Thi Truong, Vu Minh Tuan, Doan Bao Ha, Nguyen Thi Thao, Ta Quang Thanh, Tran Quang Phuc, Nguyen Van Ba</i>	31
7.	Physical activity characteristics among overweight and obese students at the University of Medicine and Pharmacy at Ho Chi Minh city <i>Tang Khanh Huy, Nguyen Hai Yen, Diep Hoang Thong, Vo Hanh Xuan, Nguyen Hai Yen, Le Thi Hoang Linh</i>	36
8.	The impact of some factors on oocyte maturation in patients undergoing <i>in vitro</i> fertilization at Hanoi Medical University Hospital <i>Tran Khanh Linh, Tran Thi Phuong Hoa, Nguyen Thi Hanh, Dang Thi Huyen Nhung, Dao Thi Thuy Phuong</i>	42
9.	Embryological and clinical outcomes of icsi-microtese in non-obstructive azoospermic patients with a history of mumps orchitis <i>Pham Thi Kieu Oanh, Bui Thi Lien, Hoang Thi Trang, Doan Thi Yen, Nguyen Minh Duc, Dinh Huu Viet, Bui Thi Phuong Hoa, Trang Thi Huyen Nguyen, Lai Thi Tuan Viet, Truong Quoc Phong</i>	47
10.	Clinical and paraclinical characteristics and patient care outcomes lumbar spondylolisthesis surgery at 108 Central Military Hospital in 2025 <i>Bui Thi Thanh Van, Pham Trong Thoan, Tran Huu Vinh, Nguyen Thi Thanh Xuan, Nguyen Hong Minh</i>	52
11.	Prevalence and occupational correlates of traditional medicine syndromes among patients with chronic rhinosinusitis: A cross-sectional study <i>Vo Kieu My, Nguyen Thai Duong, Nguyen Thanh Hung, Ly Chung Huy</i>	59
12.	Knowledge, practice of dengue prevention among first-year students of Bach Mai Medical College in 2024 <i>Bui Minh Thu, Do Thi Kim Chi, Khuat Thi Quynh</i>	65
13.	Academic stress coping strategies among students of the faculty of foreign languages, Thang Long University, Hanoi, academic year 2021–2022 <i>Tran Quynh Anh, Tran Thi Nguyet, Dang Thi Hai, Ngo Toan Anh</i>	69

14.	Some factors related to academic stress coping strategies among students of the faculty of foreign languages, Thang Long University, academic year 2021–2022	74
	<i>Tran Quynh Anh, Tran Thi Nguyet, Dang Thi Hai, Ngo Toan Anh</i>	
15.	Occupational stress and associated factors among hospital nurses	80
	<i>Nguyen Ngoc Bich, Huynh Tuan Kiet, Nguyen Thi Xuan</i>	
16.	Secondary traumatic stress and associated factors among nurses in hospitals in Can Tho city	86
	<i>Huynh Tuan Kiet, Nguyen Ngoc Bich, Nguyen Thi Xuan</i>	
17.	Intention to receive influenza vaccination among preventive medicine students at Hanoi Medical University in 2024 and associated factors	91
	<i>Nguyen Huu Thang, Nguyen Thi Thu Ha, Bui Thanh Hai</i>	
18.	Current status of hypertension management and associated factors at commune health stations in Vinh Yen city, Vinh Phuc province, 2024	97
	<i>Doan Van Giang, Nguyen Huu Thang, Pham Quoc Hung</i>	
19.	Current status of knowledge on managing sharp exposure of 3rd-year nursing students at a college in Hanoi	102
	<i>Bui Minh Thu, Nguyen Thi Huong Giang, Nguyen Khanh Chi</i>	
20.	Assessment of anisometropia in visually impaired children aged 6-14 years in Ho Chi Minh city	109
	<i>Tran Dinh Minh Huy, Le Anh Tuan, Nguyen Le Hoang Nguyen, Phan Hong Phuc, Huynh Chi Nguyen, Tran Huy Hoang</i>	
21.	Pattern of cardiovascular disease in the elderly inpatients at Thai Binh General Hospital during 2019–2023	113
	<i>Le Manh Cuong, Nguyen Van Chuyen, Ta Quang Thanh</i>	
22.	Some factors related to treatment adherence among outpatients with type 2 diabetes and diabetic nephropathy at thanh nhan hospital in 2025	118
	<i>Ta Thi Ha, Hoang Thi Thu Huong, Nguyen Huy Hoang, Le Duc Sang, Tran Thanh Long, Do Quang Tuyen</i>	
23.	Process improvement: Replacing handwritten patient asset borrowing forms with integrated software at Yen Bai General Hospital in 2024	123
	<i>Tran Thi Que Chi, Tran Lan Anh, Diem Son, Pham Huu Thanh, Pham Ngoc Doan Trang</i>	
24.	Factors associated with preoperative patient preparation by nurses at the Surgical Department, Vinmec Times City International Hospital, 2024	128
	<i>Tran Duc Manh, Hoang Thi Thu Huong, Nguyen Thi Ha, Nguyen Thi Diem, Tran Thi Hường, Nguyen Huy Hoang, Vu Dung</i>	
25.	Survey on outpatient integrated treatment between western and traditional medicine after the establishment of specialized clinics at University Medical Center Ho Chi Minh city – Campus 3	133
	<i>Le Ngo Minh Nhu, Nguyen Trong Tin, Ho Hong Thuy, Phan Le Dinh Trung, Tran Hoa An</i>	
26.	Implementation of the nursing process in patient care among nursing students at Thang Long University and associated factors	139
	<i>Vu Dung, Hoang Thi Thu Huong, Nguyen Huy Hoang, Tran Thanh Long, Do Quang Tuyen</i>	
27.	Practice of using inhaled preventive asthma medication among parents of pediatric patients at Vietnam National Children's Hospital in 2023 and related factors	144
	<i>Nguyen Thi Van Anh, Hoang Thi Thu Huong, Nguyen Thi Ha, Do Quang Tuyen, Thai Thi Thanh Huyen</i>	
28.	Evaluation of parotidectomy outcomes in the treatment of pleomorphic adenoma of the parotid gland at Military Hospital 103	149
	<i>Ngo The Manh, Nguyen Sy Bac, Tran Thi Thu Quynh, Phan Hung Phuc</i>	

29.	Knowledge and practices of health education among pediatric nurses for family members of patients with respiratory syncytial virus infection at the Vinmec Hospital system in 2025	154
	<i>Pham Thi Van Anh, Phan Thi Vinh, Quach Thi Hien, Nguyen Thi Huong, Tran Thi Duong, Tran Thi Thanh Xuan, Nguyen Thi Ngan</i>	
30.	Impact of a training on nurses knowledge, attitudes, and performance towards applying isbar in nursing activities at Emergency and Intensive care Department, Hanoi Medical University Hospital	159
	<i>Pham Thi Le Huyen, Ho Hai Yen, Hoang Bui Hai</i>	
31.	Evaluation of the effectiveness of extraocular muscle fenestration surgery in the treatment of horizontal sensory strabismus	165
	<i>Nong Kim Anh, Nguyen Van Huy, Nguyen Thanh Van</i>	
32.	Knowledge on the prevention of recurrence of peptic ulcer disease in outpatients at Tra Vinh provincial General Hospital	170
	<i>Vu Thi Dao, Tran Thi Hong Phuong, Nguyen Thi Ngoan, Tran Van Boi, Nguyen Kha Ai</i>	
33.	The clinical and paraclinical features and treatment outcomes of placenta previa at a Thai Nguyen Hospital	176
	<i>Nguyen Hong Quang, Pham My Hoai</i>	
34.	Characteristics of gram-negative neonatal sepsis and associated risk factors at Bach Mai Hospital	181
	<i>Nguyen Thi Duyen, Nguyen Thanh Nam, Nguyen Dac Trung</i>	
35.	Current status of the disease pattern and traditional medicine treatment, traditional medicine - modern medicine at the Department of Traditional Medicine and Rehabilitation, Cam Khe district Medical Center, Phu Tho province, period 2022–2024	187
	<i>Pham Anh Hung, Tran Thi Hong Ngai</i>	
36.	Evaluation of the therapeutic effects of electroacupuncture combined with ultrasound therapy and the "Luc Vi" herbal formula in the management of knee osteoarthritis	193
	<i>Do Duy Cuong, Tran Thi Hong Ngai</i>	
37.	Evaluate the effectiveness of capsaicin cream on patients with herpes zoster at 19-8 Hospital	199
	<i>Le Thi Bich Hong, Bui Thi Van, Pham Thu Hien</i>	
38.	Results of pre-eclampsia treatment at Thai Nguyen a Hospital	203
	<i>Le Thai Hoang Anh, Ha Hai Bang, Bui Thi Thu Huong, Duong Thi Kim Ngan, Hoang Thi Minh Toan, Nguyen Van Quang, Bui Thi Lan Thanh</i>	
39.	Therapeutic efficacy of nano berberine gel versus 1% silver sulfadiazine in pediatric thermal burn injuries	206
	<i>Le Quoc Chieu, Nguyen Ngoc Tuan, Chu Anh Tuan, Ho Thi Van Anh</i>	
40.	Survey on nursing care outcomes for patients with indwelling urinary catheters at the Intensive Care Center, Bach Mai Hospital, 2025	210
	<i>Nguyen Duc Linh, Pham Thi Hong Thi, Hoang Minh Hoan, Nguyen Hoang Nam, Nguyen Thi Yen, Nguyen Thi Mai Phuong</i>	
41.	Current status of caregiver burden among stroke patient caregivers in the Emergency and Stroke Department, National Geriatric Hospital, 2025	217
	<i>Vu Thu Huong, Le Quang Khanh</i>	
42.	Survey on the need for application of auricular acupuncture in treatment at Vinh Long provincial Traditional Medicine Hospital	223
	<i>Nguyen Ngo Le Minh Anh, Luu Thi Phuong Truc, Le Thi Kim Yen, Nguyen Quang Hien</i>	
43.	Assessment of maternal satisfaction with epidural and non-epidural analgesia service at the Department of Obstetrics and Gynecology at Bach Mai Hospital in 2025	229
	<i>Vu Thi Le My, Hoang Linh Chi, Pham Thi Khanh Hoa, Le Thi Huong, Pham Thi Thu Thuy</i>	

44.	Knowledge needs of spinal injury surgery patients before discharge at the Spinal Surgery Department of Viet Duc University Hospital	233
	<i>Dam Manh Tien, Dinh Ngoc Son, Vu Hoang Anh, Phung Thi Hanh</i>	
45.	Preliminary survey on the demand for facial rejuvenation thread-embedding therapy in Traditional Medicine	238
	<i>Le Thi Kim Yen, Nguyen Quang Hien, Nguyen Ngo Le Minh Anh</i>	
46.	Evaluation of the effectiveness of a multidisciplinary intervention model for children with autism spectrum disorder at Da Nang Rehabilitation Hospital	244
	<i>Nguyen Van Dung, Tran Danh Tien Thinh, Cao Bich Thuy, Nguyen Tien Hung, Tran Van Ha, Vo Van Chien, Phan Thi Tung Lam, Pham Thi Thuy Ngan, Le Thi My Tien, Cao Thi Thanh Thuong, Tran Nguyen Thu Hang, Truong Van Trinh, Dinh Thi Minh Thuy, Nguyen Dac Quynh Anh</i>	
47.	The situation of cardiovascular diseases in the elderly in Vinh city, Nghe An province in 2024	250
	<i>Le Manh Cuong, Nguyen Van Chuyen, Ta Quang Thanh</i>	
48.	Evaluating the results of peripherally inserted central catheter technique and related factors in neonates at Phu Tho provincial Obstetrics and Pediatrics Hospital	254
	<i>Nguyen Duc Hau, Nguyễn Thị Nga, Tuong Thu Huyen, Nguyen Trang Mo</i>	
49.	Obstetric management outcomes of patients with gestational diabetes mellitus delivering after 34 weeks at Nghe An Obstetrics and Pediatrics Hospital	258
	<i>Phan Thi Huyen Thuong, Nguyen Thi Phuong Lam, Tang Xuan Hai, Do Tuan Dat</i>	
50.	Outcomes of prenatal intervention for monochorionic diamniotic twin pregnancies complicated by twin reversed arterial perfusion (trap) sequence in Hanoi Obstetrics and Gynecology Hospital	264
	<i>Phan Thi Huyen Thuong, Do Tuan Dat, Nguyen Kieu Oanh</i>	
51.	Clinical and paraclinical characteristics of acute calculous cholangitis at Nguyen Tri Phuong Hospital	269
	<i>Huynh Thanh Long, Huynh Nhat Cao Nhan</i>	
52.	Mesenteric venous thrombosis leading to small bowel necrosis in a Vietnamese patient with protein C deficiency: A case report	273
	<i>Ngo Dinh Trung, Ho Nam</i>	
53.	Lower extremities muscle contributions to horizontal and vertical acceleration of the center of mass during the first stance phase in sprinting of soccer player	278
	<i>Le Van Thiet, Le Thi Kim Phuong, Pham Thi Cam Hung, Masayoshi Kubo</i>	
54.	Endoscopic and histopathological characteristics of gastric lesions suspected of early gastric cancer and precancerous lesions	283
	<i>Nguyen Van De, Le Thi Thuy, Tong Duc Minh, Nguyen Hoang Trung</i>	
55.	<i>In vivo</i> lipid-lowering and anti-atherosclerotic effects of scorpion turmeric (curcuma rangjued) extract	288
	<i>Phung Thi Kim Hue, Mai Phuong Thanh, Phan Anh Thu, Nguyen Nhat Long, Le Nhat Minh, Phan Nu Yen Chi, Nguyen Thi Duong, Le Dung Sy, Le Tri Vien</i>	
56.	Anti-inflammatory activity of nghe bo cap (curcuma rangjued) rhizome extract and molecular docking analysis of its major bioactive compounds	292
	<i>Phan Anh Thu, Le Tri Vien, Nguyen Nhat Long, Pham The Hai, Do Thi Thao, Tran Van Loc, Le Nhat Minh, Phan Nu Yen Chi, Le Dung Sy, Tran Tuan Anh, Nguyen Thi Duong, Tran Thi Quynh Ngan, Nguyen Le Bao Ngoc, Phung Thi Kim Hue</i>	
57.	The knowledge of respiratory infectious disease prevention among medical students at the Vietnam University of Traditional Medicine in 2025	297
	<i>Nguyen Kim Tung Lam, Bui Thi Tam, Le Thi Tra Mi, Vu Thanh Giang, Hoang Trong Quan</i>	
58.	Characteristics of selected cognitive domains in older adults with mild cognitive impairment	303
	<i>Nguyen Thi Hong Luong, Hoang Anh Dao, Nguyen Thi Thanh</i>	
59.	Prevalence and factors associated with frailty using the clinical frailty scale among community-dwelling older adults in Ho Chi Minh city	307
	<i>Pham Duy Quang</i>	

60.	Hypocholesterolemic and anti-atherosclerotic potential of curcuma rangjued rhizome extract via inhibition of HMG-COA reductase	312
	<i>Phung Thi Kim Hue, Mai Phuong Thanh, Phan Anh Thu, Nguyen Nhat Long, Tran Van Loc, Le Nhat Minh, Phan Nu Yen Chi, Nguyen Thi Duong, Le Dung Sy, Le Tri Vien</i>	
61.	Severe prognostic factors of post-vaccination reactions in children under 5 years at Viet Nam National Children's Hospital	316
	<i>Pham Ngoc Toan, Ton Thi Thuy, Nguyen Van Duong</i>	
62.	Surgical outcomes of parant II impacted mandibular third molar removal using a vertical coronectomy technique with a 45-degree handpiece	321
	<i>Nguyen Thi Huong Thao, Pham Thanh Hai, Nguyen Xuan Thuc</i>	
63.	Overview of the potential of traditional medicinal herbs in the treatment of gastric ulcer and gastroesophageal reflux disease	326
	<i>Kieu Hoang Yen, Tran Thi Hong Ngai</i>	
64.	Current practice of clopidogrel use in the treatment of acute coronary syndrome at Military Hospital 175	331
	<i>Nguyen Van Thuan, Bui Dang Minh Tri, Bui Tung Hiep, Nguyen Viet Khanh, Tran Van Dung</i>	
65.	Prevalence and related factors of eating disorders among high school students: A cross-sectional study in Hanoi, Vietnam	335
	<i>Bui Nhat Le, Bui Phuong Anh, Vu Phuong Thao, Nguyen Thi Bich Ngoc, Nguyen Quang Dung, Le Xuan Hung, Hoang Thi Thu Hang</i>	
66.	Perceptions and educational needs regarding global health among vietnamese health science students: A qualitative study	340
	<i>Le Bao Phuc Nhan, Nguyen Phu Nhat, Ha Vu Phuc Minh, Ngo Quynh Nhu, Phan Ngoc Tho, Nguyen Ngoc Tu, Huynh Ho Ngoc Quynh</i>	
67.	Overview of the potential of traditional medicinal ingredients in the treatment of chronic hepatitis	345
	<i>Mai Nguyen Thi Thi, Pham Thuy Phuong</i>	
68.	Prevalence of stress, anxiety, depression and associated factors in medical students: A review and analysis	349
	<i>Pham Tuong Van</i>	
69.	Aanatomical characteristics of the anterior inferior tibiofibular ligament and the posterior inferior tibiofibular ligament in adult Vietnamese cadavers	354
	<i>Nguyen Thi Binh, Le Quang Tuyen, Nguyen Van Lam</i>	
70.	Pprevalence of generalized anxiety disorder and related factors in patients with cirrhosis patients at the Gastroenterology Department - Viet Tiep Friendship Hospital in 2025	358
	<i>Vu Thi Cam Doanh, Luong Thi Thu Giang, Pham Thi Tuyet, Bui Thi Thanh Mai, Dong Xuan Ha</i>	
71.	Outcomes of intrauterine transfusion for fetal anemia: A case series at Hanoi Obstetrics and Gynecology Hospital	361
	<i>Phan Thi Huyen Thuong, Vu Thi Kim Ngan</i>	
72.	The status of infections and clinical characteristics of patients with urinary tract infections at Tra Vinh General Hospital in 2025	365
	<i>Nguyen Thi Kieu Tien, Nguyen Nhu Y, Kha Dac Luong</i>	
73.	Knowledge and attitudes toward postpartum depression among family members of postpartum women at Hai Phong Obstetrics and Gynecology Hospital in 2026	369
	<i>Luong Thi Thu Giang, Do Thi Lan Anh, Nguyen Thanh Xuan, Le Thi Nhung, Hoang Thi Oanh</i>	
74.	Nutritional status and body mass index classification among first-year students at Vietnam National University, Hanoi	373
	<i>Tran Van Thien, Nguyen Phuong Mai, Trinh Xuan Duc, Ngo The Ngoc, Nguyen Huu Nam</i>	
75.	Distribution of COVID-19 in Vietnam: The lessons learned from COVAX program	377
	<i>Phung Van Dung, Duong Minh Duc</i>	
76.	Association between the superior attachment of the uncinat process and localized frontal sinus opacification on computed tomography through comparison with the anterior ethmoid sinus	381
	<i>Nguyen Thi Kieu Tho, Nguyen Dinh Chuong</i>
